HAYWOOD SLOPE ARM

Haywood Slope Arm defines laid-back luxury with a softer edge. Distinguished by its graceful sloping arms, this version of our low, lounge-like collection features the same deep, sink-in sit and grounded, upholstered-to-the-floor profile. Large bolster pillows add an extra layer of comfort and style, and lets you customize the depth. Make it yours with your choice of fabric. Choose from three cushion options: Signature, Eco Down-blend, or Eco-Luxe Poly. Made in the USA with earth-friendly materials.
