COOPER

Cooper brings '50s-inspired shelter-style design into a refined, versatile collection. Clean lines and a sculptural silhouette give the pieces a tailored presence, while the signature Swivel Chair remains a standout for its comfort and ease. Sofas, chaises, and the distinctive Tête-à-Tête rest on a recessed wood plinth base, creating a finished look from every angle and allowing the collection to float beautifully in a room. The Swivel Chair is available with a wood or metal base. Available in fabric or leather. Made in the USA with earth-friendly materials.
