## HUNTER

With a low and luxe silhouette, Hunter offers clean-lined, modern style. A highlight of the collection is the popular Hunter Lounge, a long, deep bench seat designed for stretching out. The collection also includes sofas in two widths (90" and 100"), which offer a choice of multiple seat cushions or a single bench seat. Make it yours with welt or no welt, and your choice of square metal or round wood legs. Choose from three cushion options: Signature, Eco Down-blend, or Eco-Luxe Poly. Also available in leather. Made in the USA with earth-friendly materials.
