SOMA

Sleek and full of clever lines and angles, the Soma sofa features thin arms and generous, over-scaled knife-edge back pillows that exude a distinctly modern sensibility. Pleat corners and bull-nose details collide with wood sled legs providing stability while giving the illusion of a floating sofa. Available in 100" and 90" width sofas and upholstery options in both fabric and leather. Choose your cushion: Signature, Eco Down-blend or Eco-Luxe Poly. Sled legs available in all wood finishes. Made in the USA with earth-friendly materials.
