## HUNTER STUDIO

Hunter Studio's low and lean silhouette is well-scaled for urban environments, offering the same comfort as our larger-scale Hunter collection in a more compact footprint. A truly versatile collection, it features extensive component options to create endless configurations from simple sofas to complex sectionals. Make it yours with multiple seat cushions or a single bench seat, welt or no welt, and your choice of square metal or round wood legs. Choose from three cushion options: Signature, Eco Down-blend, or Eco-Luxe Poly. Made in the USA with earth-friendly materials.
